We are in the process of re-building our website. The new website will include a contractor directory page to help homeowners connect with you. The directory page will include your name, business name and contact information along with the types of work that you specialize in. If you would like to be included in our directory, please complete the form on the back of this page and return it to the store or email it to rebeccadengler@sequinlumber.com. We would love to showcase your work on our website also. If you have any job photos that you would like included in our showcase, please email them with your contact information to rebeccadengler@sequinlumber.com. If you have any questions, please contact me at 989-684-9161.

Sincerely,

Rebecca Dengler
